Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 10 references to be considered by the Examiner. Also enclosed are 9 foreign patent references and/or non-patent literature as listed on the Information Disclosure Statement. Please note the relevance of the French-language reference (Mulard) is that it is cited in the International Search Report from PCT priority application serial no. PCT/US2004/025477.

This Information Disclosure Statement is being filed before the receipt of a first Office Action on the merits, and presumably no fee is required. If a first Office Action on the merits was mailed before the mailing date of this Statement, the Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.17(p) to Deposit Account No. 11-1410.

Respectfully submitted,
